**OBJECTIVE:** Aspiring 2024 Google intern with a keen interest in software development and a strong foundation. Eager to contribute to cutting-edge projects at Google while gaining valuable hands-on experience in a dynamic and innovative tech environment. I aim to contribute effectively to Google's mission of shaping the future of technology.

### ACADEMIC DETAILS:

LEVEL	STREAM	COLLEGE/INSTITUTE	BOADR/UNIVERSITY	YEAR OF PASS	PERCENTAGE/CGPA
2 <sup>nd</sup> year Btech (pursuing)	Computer Science	MKSS's Cummins College of Engineering for Women,Pune	Autonomous (Affiliated with Savitribai Phule Pune University)	-	8.85(upto 1 <sup>st</sup> year)
12 <sup>th</sup>	Science	HPT arts and RYK Science College,Nashik.	Maharashtra State Board	2022	86.83
10 <sup>th</sup>	-		Maharashtra State Board	2020	96.20

### ACADEMIC PROJECTS:

1. **Title: Vehicle Management System.**

- **Platform:** Python
- **Description:**

The Vehicle Management System presented in this project is a python-based application developed using the tkinter library for creating a Graphical User Interface (GUI). The application offers multiple pages with distinct functionalities. The system ensures a user-friendly experience with appropriate error handling, input validations and dynamic updates based on user actions.

2. **Title: Pune Metro Application**

- **Platform:** Java (DSA).
- **Description:**

It is a consol-based project that utilizes Java and data structures to model a metro system, providing functionalities such as station management, edge manipulation, and shortest path calculations using Dijkstra's algorithm. The user interface is text-based, providing a menu-driven system for users to interact with the metro network. The application also features a display of the metro map, enabling users to visualize the network structure.

### Technical Skill:

Programming Languages	C, Java, Python, HTML, CSS, MySQL.
IDE	Google Colab, Spyder, Visual Studio, Eclipse.
Operating System	Windows, Linux.

### SOFT SKILL:

- Time-management
- Problem solving.
- Communication
- Teamwork
- Adaptability.

### OTHER:

- **Extra-Curricular Activity:**
  1. Participated in Smart India Hackathon.
  2. Business Idea Competition.
- **Languages:** Hindi, English, Marathi.
